

Designed with cancer patients in mind but many can be used by anyone.

Card-Ease Keeper™

Organize gift cards, membership cards, frequent shopper cards, and doctor's appointment cards

Clear out your wallet but keep your cards handy, organized and ready when you need them. Expands up to 3 inches.

- Index cards 2"x3"
- Preprinted labels
- Blank labels
- Holds keychain cards

Great Gift for everyone | One of a kind!

ComF-Ease Cap™

Hair loss due to medical treatment?

Scalp may feel sensitive and cold – other caps have rough seams causing irritation.

Soft knit cap designed exclusively for patients. Can even be worn under a wig.

Protect-Ease Face Mask™

Comfortable, Adjustable, Reusable

Used by:

Patients | Medical staff
Bakers | Beauticians
Groomers | Manicurists
Remodelers | Travelers

- Helps end isolation for those with low immune systems. Especially helpful for patients and those that love them.
- Treated with antimicrobial protection, OxiTitan® to help block bacteria, virus, molds and odors even after repeated washings.
- Research shows wearing a mask and good hand hygiene help prevent flu in households.

Protect-Ease Masks™ can be used alone or on top of a surgical or N95 masks for even more protection.

Protect-Ease Pouch™

Keep your mask clean and protected

Includes:

Custom Pouch
Sanitizer - 0.5 fl oz
Sanitizing wipes
Disposable face masks

Fabric can be coordinated!

Several items designed and only available through Better Days Designs

Protect-Ease Face Mask™

Same great features as Protect-Ease Face Mask with messages:

- I'm fine and trying to stay that way®
- I have cancer but I have hope®
- It's OK! I'm not contagious!®

See website for more options

We welcome special requests.

Blessing Bag™

Blessing Bags contain:

- Body – skin and mouth products, snacks and goodies
- Mind – organizer for medical paperwork and items to help pass the time
- Soul – books and music to inspire and soothe

Helpful notes are attached to products to explain why, when and how to use each item. Each one is personalized and assembled at the time of order.
